

9<sup>th</sup> July 2019

Dear Resident

Galwegians RFC are in the process of preparing a planning application to relocate our rugby club, from Crowley Park on the Dublin Road, for a site in your locality at Oranswell, Co. Galway.

We are including in our plan a gymnasium, a playground, a lit walkway along with playing pitches, all of which will be made available for local residents. This walkway will run the perimeter of this 20 acre site.

Our Club would like to invite you to an **information evening** which will be held in Glenlo Abbey on the evening of the 24th July from 4pm to 7pm.

Members of our design team will be present at this information meeting to answer questions and explain any particular nuances of the project. Our design team will be taking notes on your input and concerns in relation to this project.

The Galwegian RFC Board of Directors will be present also along with fellow Club Members.

On this evening all plans for our proposed new development including site layout, drawings etc will be on display for your perusal.

I would very much appreciate you using this opportunity to see what Galwegians RFC are planning to offer the wider community at Oranswell and I look forward to meeting you on the evening.

Yours Sincerely

*Padraic*

Padraic Moran  
Club President
